Northwest Energy Efficient Manufactured Home Incentive Program

Missoula Electric Cooperative is promoting the construction and purchase of energy efficient manufactured housing by offering an incentive payment to home buyers purchasing electrically heated NEEM manufactured homes sited within our service territory. Missoula Electric will offer qualifying home buyers a \$1,450 cash incentive after the home is set-up to NEEM specifications and verified by a Missoula Electric representative. Wheels must be removed prior to verification. Once verification has been made, payment will be sent to the homeowner.

This section to be completed by the homebuyer.

Homeowner Name _____

Address _____

Phone _____

Dealer _____

Sales Representative _____

Missoula Electric Member Account #: _____

Manufacturer: _____
